only able to print the dimensions of the
current object, there are many options
available in AutoCAD to handle your
printings needs as well as the options
available for any standard print vendor, such
as VistaPrint. We have included the settings
for VistaPrint print jobs in the script. There is

a lot of functionality to this script if you're ever in need of automatic raster image printouts for a design project. Alicia jordan analysis student autodesk autocad 2010- keyg 3da54e8ca3
